

Weyerhaeuser has sent their "Annual benefits enrollment confirmation for 2020, dated Dec-05-2019.

It notes that for the BC Medical Services Plan (MSP), BC residents will no longer be charged monthly premiums and more information can be found at:

or by calling 1-800-663-7100.

Comments by Charlie Burrell:

The MSP premium goes to zero dollars. The government intends to pay for health care through a corporate tax Levi. They do not have any means or justification to pass this tax increase to employees or retirees as I know. But that doesn't mean they won't try and reduce health costs to them by further restrictions on extended health coverage for prescription drugs et al. However they are obligated to notify us of any material change in coverage.

Cheers
