**Hello Members:**

**(MacMillan Bloedel Weyerhaeuser Retired Salaried Employees Club)**

Unfortunately, due to the continuation of the world pandemic, the usual social gathering for our club does not appear to be an option this spring. Therefore, the May 2021 meetings in Vancouver, Nanoose and Powell River will be replaced with a single Zoom meeting on May 4, 2021 with up to 100 participants.

If you would like to participate via Zoom please advise our club secretary, Lindy McQueen (host of Zoom call). Lindy will email you an invitation to the meeting while ensuring that we do not exceed the Zoom limit. Minutes of the business meeting will be posted and distributed after the meeting.

Please see the attached Weyerhaeuser Contacts document for contacts for pension and other issues and plans. Also there is a form to use when submitting your dues cheque and/or any updates to your Roster details.

The meeting agenda will include confirmation of participants to ensure a quorum, moment of silence, President's remarks, Financial report, and updates on club activities to support education and to support efforts to improve pension issue handling.

If you would like to have any topics added to the AGM Zoom meeting May 4, please submit them to our club secretary, Lindy McQueen, by email ([jimlin@shaw.ca](mailto:jimlin@shaw.ca)), ensuring she receives them not later than April 27, 2021.
