## Obituary

### **R.R. (Randy) Lafferty**

**Our dear husband, father, brother and best friend Randy Lafferty passed away peacefully at Nanaimo hospital after a short battle even he could not win with his ever positive attitude.**

**Randy leaves behind a still incomprehensible void amongst his family and friends .**

**Randy's genuine interest in the people amongst him and his enthusiastic pursue of life made him into the person we can never forget.**

**A celebration of life will be held at a later date where we can remember him with family and friends.**
